↑ Fox & Fox Woman_

A man and a woman are sitting on a metal bench in an urban setting at night. The man, on the left, is wearing a bright yellow t-shirt and dark green cargo shorts. He has short, dark hair styled in cornrows and is looking directly at the camera with a serious expression. The woman, on the right, is wearing a grey t-shirt and light-colored, frayed denim shorts. She has long, dark hair in braids and is looking slightly away from the camera. She is wearing white sneakers. The background shows a brick building with some graffiti and a street lamp. The overall mood is casual and urban.

// Shiba.

A woman with long reddish-brown hair, wearing a bright yellow short-sleeved polo shirt, is shown from the side, standing next to a red car. The car's headlight and a small circular emblem are visible. In the background, there is a wall with graffiti, including the word 'Cement' in purple. The scene is set in an urban environment with a blue-framed window or door visible on the left.

A woman with long brown hair and bangs stands in a narrow urban alleyway. She is wearing a white short-sleeved top, dark navy blue high-waisted trousers with a small bow at the waist, and bright yellow pointed-toe pumps. She has her hands in her pockets and is looking towards the camera. The alleyway is flanked by brick buildings, one of which has a balcony with a black metal railing. The ground is paved and has yellow and black striped curbs. The lighting is bright, suggesting daytime.

ISO 9001: 2015

Is a globally recognized standard for quality management. It helps organizations of all sizes and sectors to improve their performance, meet customer expectations and demonstrate their commitment to quality. Its requirements define how to establish, implement, maintain, and continually improve a quality management system (QMS).

→ Quality & Commitment. Our Certificates

ISO 14001: 2015

Helps an organization achieve the intended outcomes of its environmental management system, which provide value for the environment, the organization itself and interested parties. Consistent with the organization's environmental policy

ISO 45001: 2018

Specifies requirements for an occupational health and safety (OH&S) management system, and gives guidance for its use, to enable organizations to provide safe and healthy workplaces by preventing work-related injury and ill health, as well as by proactively improving its OH&S performance.

ISO 28000: 2007

Specifies the requirements for a security management system, including those aspects critical to security assurance of the supply chain. Security management is linked to many other aspects of business management. Aspects include all activities controlled or influenced by organizations that impact on supply chain security. These other aspects should be considered directly, where and when they have an impact on security management, including transporting these goods along the supply chain.

GOTS

The Global Organic Textile Standard (GOTS) is the worldwide leading textile processing standard for organic fibres, including ecological and social criteria, backed up by independent third-party certification of the entire textile supply chain.

OCS 100

OCS certification applies to all supply chain sites of organically grown content: first processor, manufacturing, packaging and labeling, storage, handling, and shipping through the seller in the last business-to-business transaction. Prints

The colours in this catalogue are as approximate and faithful as possible to the actual colours of our products, with the limitations of the colour printing in paper. In addition, due to the constant improvements on the products and renovations of stock, the colours may suffer changes or modifications not shown in this document. Claims based on the colours in this catalogue will not be accepted. ROLY reserves the right to change without previous notice the colours of the products with respect to the indicated in the present catalogue.
