

A young woman with long brown hair, wearing a light grey button-down shirt tied at the waist and blue jeans, is smiling warmly in a kitchen. She is holding a wooden spoon and stirring a bowl of green salad. In the foreground, a wooden cutting board holds a string of cherry tomatoes, a cucumber, and a whole potato. The background shows a rustic kitchen with wooden shelves holding various kitchen items like pots, pans, and a knife block. The overall atmosphere is warm and inviting.

Say No to Plastic

100% recycled and recyclable material
Material de origen 100% reciclado y reciclable

RPET

= ZERO WASTE

The fabric used in the manufacturing process of these items is made of recycled plastic (RPET). Like this, the emission of plastic residues to our planet and the consumption of energy is drastically reduced, resulting in a much more eco-friendly process.

El material de estos productos está fabricado con plástico reciclado (RPET), que, además de ayudar en la disminución de residuos plásticos en el planeta, utiliza menos energía en el proceso de fabricación, haciendo que sea mucho menos dañino para el medio ambiente.
